

JIM VAN TONDER SKOOL/SCHOOL

SKOOLIED

Hier staan ons skool gebeitel teen die lug
'n voël deur hoë veld se ruim in vlug
ons blik so onafhanklik vol vertrouwe hoog gelig
Ons glo ons kan
Ons weet ons kan
Ons glo ons kan
Want lewenskrag van Bo die het ons
in ons murg en been
Die hoop wat in ons harte brand
Die lig wat in ons oë skyn
Die vaste greep waar hande vat
Daarvoor dank ons jou ons skool
So sal ons vol vertrouwe
Onafhanklik hoog gerig
Die wind en weer in die toekoms kan trotseer
Want ons glo ons kan.

SCHOOL SONG

Our school is clearly etched against the sky
A bird in flight against the Highveld sky
We see our independence due to faith and trust above
We trust we can
We know we can
We trust we can.

Our vig'rous strength and power we have gained from up above
The hope which burns within our hearts
The light which shines within our eyes
The trusted grip secures our hands -
This is why we thank our school.
So that is why we stand and fight the storms which come our way
Therefore we all shall stand together with our aims set high
For we trust we can.
